a. How have you served the FSMTB in the last few years?

I have the honor of participating on the Policy Exam Committee and the EDC Committee. I also advocate to the Washington State board for FSMTB

b. What skill set or strengths do you bring to the FSMTB?

Being a state regulator since 2020, I get to work with other board members and program staff on policy, rules and state law. My experience ranges from leading public meetings to reviewing critical documents for legal investigations. I think I have a positive demeanor with a fierce spirit.

I would like to share my experience and collaboration with the Federation.

c. What do you see as the important issues facing FSMTB?

The biggest issues currently are, getting more states to join the interstate compact. Maintaining the integrity of educational standards between states, and preventing fraudulent educational certifications. And always continuing to maintain the integrity of the MBLEx
